TO WHOMSOEVER IT MAY CONCERN

This is to certify **Dishanth Shetty**, bearing USN No: **309CS21012** from **NRAM Polytechnic, Nitte** has successfully completed an industry internship in Java Full-Stack Development starting from **08-01-2024** to **29-04-2024** under the mentorship of DLithe's development team. During the internship, **Dishanth Shetty** demonstrated a strong commitment to mastering Java full-stack development. They actively participated in various projects and tasks, including: Building dynamic web applications using Java, JSP, HTML, CSS, and JavaScript, Designing and implementing user-friendly interfaces and robust back-end logic, Interacting with databases (MySQL) to manage data persistence and retrieval, Deploying web applications on Apache Tomcat server. Through dedication and enthusiasm, **Dishanth Shetty** gained a comprehensive understanding of full-stack development principles: Front-end technologies and their interaction with back-end systems, Server-side programming fundamentals using Java, Database integration and data management practices. They have also understood the overview of Domain and process during their internship program.

We applaud your consistent efforts, analytical skills, and ability to adapt to challenging situations. They have shown exceptional teamwork, collaboration, and problem-solving abilities throughout the internship.

We extend our warmest wishes for their future endeavours and trust that they will continue to make significant contributions to the industry.
